GREETINGS FROM THE SENESCHAL

Seneschal—Lady Mariana de la Mar

First—a huge thank you to Chris, Michelle, and everyone that helped make Battle of the Inland Seas 2011 a HUGE SUCCESS!

We couldn't have done it without everyone's hard work and dedication!

Next, don't forget about the Shire Garage Sale coming up the weekend of July 15th in Grosse Pointe! We will be having a pricing party on Thursday July 14th, and the sale will be Friday & Saturday. More details will be coming soon as to how and when to get your sellables out for the sale!

Lastly, stay tuned for upcoming work sessions to get the ship and any other Shire equipment repaired and ready for next year. We learned from the weather this year that it will be smarter to get it done in the summer instead of trying to dodge rain storms next spring!

MUSINGS OF THE MAGIC BOX

Webminister / Chronicler —Lady Celestria de Cranham

Greetings! Now that the hustle & bustle of Battle of the Inland Seas is over, I should be able to spend some time this summer making improvements to the website. Very soon, I'll be transitioning the BOTIS page to show highlights of what we did—which should be able to be used for advertising for next year. ARTS & SCIENCES UPDATE

Minister of Arts & Sciences—Edelina de Witheleghe

We had eight classes at BOTIS, but none successfully attended, unfortunately. I would like to extend a formal, personal invitation for these instructors to return to Battle of the Inland Seas next year, and thank them for their contributions to our event.

We had three items entered in our event Bean Count, and in order to encourage a greater sense of competition in the future, I extend the challenge to all our members to each submit one historically accurate craft to future A & S activities.

No one has informed me of personal projects this last month, busy recovering from the event and life in general, I assume, though I'm anxious to see what projects and ideas have been brewing in the dark chasm of our spare time.

If you would like your personal projects to be included in future MOAS reports, please email me a detailed outline (pictures are preferable) one week before reports are due. They will otherwise be included in subsequent reports.

SUBJECT	DISCUSSION
SENESCHAL REPORT GERALYN TURNER	Nothing new to report Garage Sale is on hold until next event. Our guests today are Lynn & Fred Wiles. Lynn is one of the “founders of the Shire of Altenberg and brought us BOTIS.
EXCHEQUER REPORT BECKY KLEIN	Report went in this afternoon. She had to “close out the book” from the old account / old name to starting the new name / new account. Our current balance is \$736.30. Rubber stamps have been acquired and already handled. Michelle will need to get reimbursed for the site insurance. We voted on the reimbursement and it has been approved.
CHATELAINE REPORT BART WRIGHT	Chatelaine report was submitted yesterday & will be in the next newsletter
PURSUIVANT REPORT BART WRIGHT	Bart will be working on Mel’s device & name. Badge submission has been received & so far no issues.
MOAS REPORT NIKKI HANNA	Nothing new to report, other than what Bart mentioned in Carol's post about the newsletter, and the work he's done on the Baronial axe. Going forward, I'd like anyone with A & S crafts or activities you wish mentioned to email me a detailed note at least a week before the meetings so that I can have a complete written monthly report. Accompanying pictures would be FABULOUS whenever possible. Tools, art forms, skills you are using would be helpful information so I know what I'm actually reporting. Mentioning your crafts at the meeting means they will not be added to any written report until the following month.
FIGHTER MARSHAL REPORT CHRIS HOGAN	N/A
CHRONICLER REPORT CAROL GIRARD	Newsletter completed, emailed out to populace & will be posted to the website shortly.
WEBMINISTER REPORT CAROL GIRARD	Nothing to report other than making lots & lots of BOTIS updates!
OLD BUSINESS ENTIRE POPULACE	<p>BOTIS</p> <ul style="list-style-type: none"> • We had a planning meeting on Saturday the 23rd. Baron & Baroness of Roaring Waste were present, as well as Aluek. We will be having a court! They are contacting other Barons / Baronesses to share court as well. • For Carol – please get it on the website that we are having a Novice Tourney in memory of Baron Dermot. Lynn will be there as Mistress of the List as well. • Boat Battle – there are changes that will make it more accessible for people to participate. There are 6 person boats that are being donated to the Shire. We just have to go get the boats and then figure out how much they break down and get them stored. • There are changes to the map – things are getting moved around a bit – which is actually good because we can set up a central “water / snack” station as the fighting is all getting moved to one central location. • Siege Cookery – Right now, we are the only team signed up – so we need to decide what want to do – should we scrap it or turn it into a cooking demo / siege cookery demo. • Work Sessions – weather has not cooperated! As of right now, Saturday weather looks good, but it is supposed to rain on Sunday. • Other Projects – the frames for the signs need to be put together (need clear packing tape). Chris needs the fighting ropes finished up. We need the pirate ship rigging done for the children’s stuff too. • Fire Wood – we need to have a “field trip” to go see the wood that Marva & Debbie have – sounds like they are trees that need to be chopped up. Fred mentioned that he has lots of fire wood that he would sell us at a reasonable price if we do not have the time / manpower to cut up the wood at Marva’s. • Becky wants to know that if she makes some enhancements to the boat, will the shire reimburse her? We voted unanimously. • Shire Yard Sale is on hold until after the event
NEW BUSINESS ENTIRE POPULACE	NONE
